

**MATERIAL SAFETY DATA SHEET FOR LWT-1**

**1. Product Identification**

Product Name: **LWT-1**  
Chemical Name: Bacteria Additive  
Formula: Bacteria Blend  
Chemical Family: Bacterial  
Manufacturer: **STRATA International, Inc.**  
4821 Lankershim Blvd., #F220  
North Hollywood, CA 91601 U.S.A.

**2. Hazardous Ingredients**

Ingredient: None  
TLV: None

**3. Physical Properties**

Tan/Off white liquid with slight odor.  
Specific Gravity: One  
Boiling Point: 212 degrees Fahrenheit  
Evaporation Rate: Equal to Water  
Vapor Pressure: N/A  
Solubility in Water: N/A  
Melting Point: N/A  
Percent Volatile: N/A

**4. First Aid Measures**

**Inhalation:** Normal use should not cause irritation. If reaction occurs, remove to fresh air and consult your physician. **Eyes:** If product contacts eye area, flush with water for fifteen minutes. **Skin:** Normal use should not cause irritation. Wash skin with soap and water after contact with product. If irritation occurs, consult your physician. **Internal:** Product is not to be taken internally. If this occurs do not induce vomiting, rinse mouth and drink 1 or 2 large glasses of water and seek medical attention.

**5. Health Hazard Information**

Effects of Overexposure: If taken internally may be harmful, consult a physician. Causes irritation and loss of natural lubrication in Eyes. Prolonged contact may irritate skin. If inhalation causes discomfort, move immediately to fresh air.

**6. Fire and Explosion Hazard Information**

Flammable Limits: N/A  
Extinguishing Media: N/A  
Special Fire Provisions: None  
Unusual Fire Hazard: None  
Flammable Limits: N/A

**7. Hazardous Reactivity**

Stability: Stable  
Conditions to Avoid: Extreme heat, strong acids and bases.  
Incompatibility: Not compatible with strong acids.  
Hazardous Decomposition products: N/A  
Hazardous Polymerization: N/A

**8. Spill or Leak Procedure**

In the event of a spill or leak, clean up promptly and comply with all Local, State and Federal regulations.

**9. Special Precautions**

Handling and Storage Precautions: Avoid extreme heat, store in a cool dry place, do not freeze. Protect Eyes with splash proof glasses. Protect skin with rubber gloves and apron.  
Other Precautions: Practice good housekeeping procedures.  
Container Disposal: Do not reuse container. When empty, dispose of in accordance with local laws and ordinances.
